### Day One

**Tempel Farms** – your group can have the intimate experience of watching the Lipizzan horses in training.

Take in the exclusive shops at the Ice House Mall. Tucked inside is **Chessie's/111 Grille** which gives you a glimpse into Barrington's past. See the former Barrington train depot and dine in a train car.

Place de la Musique or the **Sanfilippo Estate** is a truly unique experience. This 44,000 square foot home contains the world's largest pipe organ (your group gets a mini-concert), musical machines, Tiffany lamps and you'll end up at the carousel building for more amazing machines.

Your group will see how the Sanfilippo family made their fortune at the **Fisher Nut Store** and you can take some edible souvenirs home!

Dinner is at the **Lincolnshire Marriott Resort** and just a short walk inside is your evening's entertainment, a well-known or new musical at the **Marriott Theatre**.

Check into your hotel, the new and contemporary **SpringHill Suites Waukegan/Gurnee**.

### Day Two

At **Elawa Farm/Wildlife Discovery Center** your group can go learn about its peculiar residents, visit the gardens or both!

**The Popcorn Factory**—the original popcorn in a tin company. Visit the store, enjoy samples and have time to shop for delicious treats to bring home.

**Keylime Cove Indoor Waterpark Resort lunch** – a splashtastic adventure isn't just for kids. Have a fabulous lunch created by Chef Brian and give your group time to explore the resort's wonderful shopping, goodies and **Paradise Mist Spa**.

Take a glimpse back into time with a tour of our 1920's movie palace, the **Genesee Theatre**. Waukegan is the home of Jack Benny who had many movie premieres at the theatre.

Discover Egyptian finds and life inside our unusual **Gold Pyramid House**.

A home-cooked buffet dinner is waiting at **The Country Inn Restaurant at Lambs Farm**. Learn about their 50-year mission and shop in their specialty stores.

Try your hand at White Shark Golf at **Rink Side Sports Family Entertainment Center**. Your group will want to take advantage of all the savings and great stores at **Gurnee Mills**. Your outdoor enthusiasts will enjoy **Bass Pro Shops Outdoor World**.

Optional entertainment includes **Ravinia**, **Genesee Theatre**, **James Lumber Center for the Performing Arts** and many area community theatres.

### Day Three

Explore 100 years of history at the new **Great Lakes Naval Museum**.

Learn about the man, the mission and his home life during a tour of **Adlai Stevenson Home**.

See how **Fort Sheridan** began and how its legacy lives on with a windshield tour of the beautiful grounds and homes. A walk of the grounds is available along with a great group photo opportunity in the red hawk nest sculpture.

A healthy lunch buffet awaits you at **Sweet Tomatoes**. Salads, soups, breads, dessert and more. Or have lunch catered to your next stop and have wine with your meal!

Taste wines from Illinois' oldest winery at **Lynfred Winery's** newest store.

On your way home, your group will ponder that all these amazing sites are tucked away in Lake County and they didn't have to visit a big city to be impressed!
