Welcome TO LAKE COUNTY

You don’t have to travel far from home to find yourself in another world. Just an hour north of Chicago, the magic of Lake County begins.

It’s a world of soul-stirring beauty, living history, small-town charm and big-time excitement. You’ll be amazed at all the wonderful things you can do and see in just a day or two.

Play a round of golf on a course set in a tallgrass prairie. Sip chardonnay at a concert beneath the stars. Hike through hushed forest trails, stroll through historic mansions and shop on charming small-town main streets. Teach your kids how to fish for bass on a sparkling lake. Set up camp just steps from a lake. Or relax on a Lake Michigan beach, and let a perfect summer day wash over you.

At the bustling Six Flags Great America in Gurnee, enchanting rides delight the little ones. And 17 heart-pounding roller coasters inspire awe—including the world’s fastest coaster—the new Maxx Force—a double-inversion monster that whips riders from 0-78 mph in less than two seconds, debuts in 2019. Love towering water slides? You’ll find 11 of them at Great Wolf Lodge, Illinois’ largest water park resort.

Blessed with 26 miles of Lake Michigan shoreline and over 200 inland lakes carved out by Ice Age glaciers, including the famed Chain O’Lakes, Lake County is a boating and fishing wonderland. Water ski. Sail. Kayak.
Troll for king salmon on a charter boat from Waukegan Harbor. Find a secluded cove for a swim. And enjoy the view at a lakeside restaurant.

Come and revel in the great outdoors. Within the nearly 31,000 scenic acres of the Lake County Forest Preserves and across the stunning landscapes of two state parks, you’ll find kayaking, biking, hiking, birdwatching and camping.

Along the 19th century cobblestone walkways of Historic Downtown Long Grove and down the tree-lined streets of Main Street Libertyville you’ll discover charming boutiques, galleries, wine stores and antique shops. Or you can join the savvy bargain hunters at Gurnee Mills, where over 200 brand and retail outlets deliver great discounts.

All year-round across Lake County, you’ll find hundreds of festivals, celebrations and events of every kind. In late July, the Lake County Fair in Grayslake offers five days and nights of all-American family fun. Beginning in September, the Lake County Spooks & Spirits™ Autumn Celebration is packed with nearly two amazing months of haunted houses, harvest celebrations, amusement park rides, concerts, street festivals and corn mazes.

The outdoor Ravinia Festival in Highland Park runs from May through September with a schedule of world-renowned performers. Once an ornate movie palace, the historical Genesee Theatre in Waukegan welcomes national music acts, top comedians and stage performances. Marriott Theatre in Lincolnshire stages Broadway musicals throughout the year.

History lives in Lake County and the Bess Bower Dunn Museum in Libertyville will tell you the fascinating story of Illinois’ most beautiful county—from prehistoric times to the present. Plus, there are 96 Lake County buildings, homes, historical districts and landmarks listed on the National Register of Historic Places—such as the majestic Cuneo Mansion and Gardens in Vernon Hills and the 10-acre estate housing the David Adler Music and Arts Center in Libertyville. Built in 1837, the Caspar Ott Log House in the Deerfield Historic Village is Lake County’s oldest standing structure.

This only scratches the surface of what Lake County has to offer. Next weekend, Let’s Go!
